

# Engaging with Aboriginal Children and Young People toolkit

## Organisational readiness checklist

**Is your organisation ready to include the participation of Aboriginal children and young people as a core practice?**

**Your organisation understands why it wants to include Aboriginal children and young people**

What do you want to achieve by engaging with Aboriginal children and young people?

How will you ensure it is meaningful?

How will you ensure all parties involved have clear expectations?

**Organisational statement of commitment**

**Commitment supported by a business structure**

**Leaders consistently model and promote inclusive practices**

**Staff are appropriately skilled and resourced**

If you aren't sure of the answer to any of these issues, please revisit the Understanding Aboriginal Cultural Contexts section of the toolkit. Once you have successfully ticked all of the boxes in the checklist, proceed to Stage 1 Step 2.
